

TUTORIAL LAB BOOKING SYSTEM (LaBS)

Welcome to the PPM-KCP Laboratory Booking System!

This platform provides a simple and convenient way to manage laboratory facility bookings at UTHM Pagoh Campus. It is designed to help students, researchers, and staff plan their lab usage more efficiently. Through this system, users can make lab booking requests, view available time slots, and keep track of their scheduled sessions. The interface is kept straightforward to ensure easy access and smooth coordination for all laboratory activities. PPM-KCP remains committed to improving the system from time to time to support better planning, resource management, and user experience.
